## It Is Up to Parents to See That Boys and Girls Attend Church

### GO TO CHURCH!

The trouble with some of our churches nowadays is that  
they haven't the support of the young people. Churches  
are filled with grandfathers and grandmothers, but they lack the  
attendance of the young people.

NONE WILL DENY THAT IT IS DESIRABLE THAT OLD PER-  
SONS ATTEND CHURCH. BUT THE CHURCH IS NOT SOLELY  
FOR PEOPLE ADVANCED IN YEARS. THE CHURCH WANTS  
THE YOUNG PEOPLE, PARTICULARLY THE YOUNG MEN. IS  
THERE ANYTHING MORE MANLY OR INSPIRING THAN THE  
SIGHT OF A YOUTH WHO NEVER FAILS IN HIS ATTENDANCE  
AT CHURCH? THE GIRL WHO PICKS OUT THIS YOUNG MAN  
FOR A HUSBAND IS NOT MAKING A MISTAKE. HE WILL NOT  
DEPART FAR FROM THE PATH OF RIGHTEOUSNESS. AND  
THE SAME APPLIES TO THE YOUTH WHO IS SEEKING A LIFE  
PARTNER. THE GIRL HE MEETS IN CHURCH, THE GIRL WHO  
SINGS IN THE CHOIR, IS THE GIRL WHO DESERVES AND GEN-  
ERALLY GETS THE BEST HUSBAND.

Parents, it is up to you to see that your boys and girls GO TO  
CHURCH. You are responsible for them and their conduct. If  
your boy or girl sulks at GOING TO CHURCH be firm. It is  
no time for indulgence. Have your child JOIN ONE OF THE  
CHURCH SOCIETIES. The mind of the young boy or girl is  
easily influenced for good or evil. The words of the preacher will  
make an impression. GOING TO CHURCH by the young makes  
for better men and women. The lessons they learn will stand by  
them in the battle of life.

Every boy and girl should GO TO CHURCH next Sunday!  
They should GO EVERY SUNDAY!  
Young people can do wonders in this splendid GO TO  
'CHURCH' movement!

## Annual Meeting of The Green River Association of Veteran Soldiers

Central City, Ky., July 4th, 1914.—The Green River Associa-  
tion of Veteran Soldiers met in annual session at the beautiful  
park in Central City, Ky., the weather was fine, and a large crowd  
of people were present, with many cheerful words and hearty  
handshakes for the Old "Vets." The meeting was called to order  
by the President, J. H. Richardson, and a prayer by Chaplain H.  
C. Truman was earnest and appropriate. A welcome address by  
the Rev. Wm. Curry and one by Mayor Wells, of Central City, was  
splendidly delivered, and responded to by comrade H. C. McCrack-  
en, of Greenville, on behalf of the Federal, Veterans and by L. T.  
Reid, of Rockport, Ky., on behalf of the Confederates. The Hon.  
Walker Wilkins, of Central City, delivered an address, rich in  
historical facts and patriotic expressions, and full of peace and the  
"milk of human kindness," with splendid oratorical style he roused  
the sympathy and interest in the attentive audience.—It is worth  
while.—The Old Vets surely enjoyed the talk, and are thankful to  
Mr. Wilkins for the entertainment. The Roll was then called by  
the Adjutant, and a number of Veterans answered "present."

The minutes of last meeting were then read, corrected and  
approved. On motion it was decided to take up the election of  
next place of meeting, Central City, Ky. was already in nomina-  
tion, and Rockport, Ky. was nominated, after a spirited contest it  
resulted in Rockport being elected, which on motion was made un-  
animous. The election of officers for the ensuing year was then  
taken up, and resulted as follows: J. M. Vick, president, Central  
City, Ky; L. T. Reid, vice-president, Rockport, Ky; J. M. Bishop  
quartermaster, Centertown, Ky; H. C. Truman, chaplain, Fords-  
ville, Ky. and D. E. Rhoads, Dade City, Fla. The Chaplain read  
theroll of the dead who died within the territory of this association  
within the last year. This report is as near perfectas  
could be made under the circumstances, our organization is not  
perfect, and must rely on friends and comrades of the deceased to  
report. We would be glad to have friends or comrades of any  
veteran who may die this year, report the fact to Chaplain H. C.  
Truman, at Fordsville, Ky., giving name, company, regiment and  
army, to which he belonged. A motion was made and carried  
that we set aside an hour for memorial service in memory of our  
dead, at our next meeting, and when that hour arrived all other  
business should be postponed until the service closed.

Aside from the many comrades that had died since the last  
meeting, this was an enjoyable coming together, the warm recep-  
tion by the people made the old boys "sit up and take notice" that  
they were still a part of things that had a being in this land.  
The old flag "Old Glory," seemed to shed a peculiar hallow over  
this meeting. The old songs so splendidly rendered by the Cen-  
tral City Glee Club, was an inspiration, they sounded good to us.  
The Powderly band was requested to play one suitable piece in  
memory of our departed comrades while we stood with bowed  
heads. The good people of Central City deserve, and have our  
thanks. The President appointed every veteran present a commit-  
tee to bring, at least one vetran to the next meeting at Rockport,  
July 3rd 1915.

After handshaking and farewells, the chaplain pronounced  
the benediction, and we wandered back to our homes, thankful for  
another happy 4th of July.

J. H. RICHARDSON—Pres.

L. T. REID—Adj.

## CYCLONE KILLS TWO SEVERAL INJURED

At Henderson---Damage Estimated at Two  
Hundred Thousand Dollars

STORM SWEEPS THROUGH PRIN-  
CIPAL STREETS WRECKING HOUSES

Henderson, Ky., July 16.—Two  
known dead, several injured and at  
least \$200,000 property loss is the ter-  
rible toll of a cyclone which swept  
through the heart of Henderson to-  
night about six o'clock.

The known dead are Mrs. William  
Suell and Bonnie Suell, aged 14.

The injured are: David Banks,  
banker, thrown from horse and in-  
jured about head; Mrs. R. G. Whit-  
ledge, struck by falling tree and in-  
jured.

The path of the cyclone seems to  
be only about four blocks wide and  
about twelve blocks long. It seems  
to have hit the city in the lower end  
blowing down smokestacks and  
damaging the tobacco extract works  
and damaging the the Stratman  
Concrete Works. Workmen abroad  
a small steamer, returning from  
dam 48, fled to shore ahead of the  
cyclone and just cleared the bank  
as it hit.

Wreckage of flying buildings was  
about them and their boat was blown  
out of the river and high upon the  
bank just after they cleared. Along  
Main street, toward the business  
district, swept the storm, blowing  
trees over on street cars.

### Crushed To Death.

The rear of the Elam Drug Store  
was wrecked. The three-story brick  
building of the Crane Furniture Co.  
was wrecked and blew over and  
crushed the residence of William  
Suell, a contractor. Mrs. Suell and  
her nephew, Bonnie Suell, were  
buried under tons of brick and  
crushed. Father Lynch crawled  
under the ruins and administered  
the sacrament as they died.

The municipal light plant was un-  
roofed and the end blown out. A  
man named Powell who had taken  
refuge there was badly hurt. The  
plant is out of commission, for days  
at least, leaving the city without  
light or power and putting the Ev-  
ansville interurban and local street  
car system out of commission.

The John Deiker buggy factory,  
just rebuilt from complete destruc-  
tion by fire, was partly wrecked.  
The Barrett tobacco factory is in  
complete ruins. The Soaper-Hodge,  
Green Street, and the Imperial to-  
bacco factories are unroofed.

The residence of Wm. Schoen was  
crushed by falling trees.

David Banks, cashier of the Uni-  
on Bank & Trust Co., was riding  
his horse and was caught in the cy-  
clone. His horse became frenzied  
and threw him. He sustained a  
scalp wound and rib injuries.

### Appointment of Taft Requested

Chattanooga, Tenn., July 15.—  
A petition was circulated among  
the members of the Chattanooga  
bar today recommending the ap-

cessor to the late Justice Lurton.  
The petition seems to have re-  
ceived general endorsement by  
the local attorneys. It will be  
forwarded to President Wilson  
as soon as it has been carried the

#### EX GOV. BECKHAM DELIVERS SPEECH

To Fine Audience at Court House Thursday—Defines Views on Issues.

Hon. J. C. W. Beckham, candidate for United States Senator, addressed a large audience at the court house, Madisonville, Thursday afternoon in behalf of his candidacy.

He made a strong, dignified, clear cut address and his telling points were frequently applauded, especially when declaring his position on the temperance question.

He was introduced by Rev. D. S. Edwards, of Hanson, who paid a nice tribute to the distinguished gentleman in connection with his record as governor and his stand on the important issues of the day.

Gov. Beckham has always had a large following in Hopkins county and will receive a splendid vote in the primary, Aug. 1.

#### U. S. ISSUES BOLOS TO MILITIA FOR CAMP WORK

Deadly Farm Implements of Filipinos Will be Used to Clear Tent Sites

Washington, July 15.—Recognition of the bolo, usually associated with fierce Philippine campaigns, as a weapon for more peaceable pursuits is reflected in a War Department circular today providing for the issuance of these broadswords to militia machine-gun companies.

The bolo became part of the regular army equipment after the Spanish war. Although it was used with deadly effect by the Filipinos in warfare, it has always been the principal industrial instrument in the islands. It was used not only in cutting through the jungle, but in the harvesting of such crops as were included in the primitive agriculture of the natives.

As it has proved to be such a good allround implement, its use has been extended to the militia, since it is especially adapted for use in clearing camp sites and in pitching tents.
